

Crawford Supp / My actions on the call

Sergeant Crawford

Supplemental Narrative

Case # 22-18-638

On October 6th, 2022, at approximately 1655 hours, in the City of Glenwood Springs, County of Garfield, State of Colorado, the following occurred:

I was aware of a couple of disturbances that had taken place downtown involving the same male. The victims in the case gave dispatch a description of the suspect who had left the area S/B from Cooper Wine and Spirits. I arrived in the area and began sweeping the area. After a few minutes I was in the alley between Cooper Avenue and Blake Avenue. I observed a male S/B on Cooper Avenue in the 1100 block, but I know this area to be a one way street N/B so I knew I could not drive that direction to catch up with the male. I observed Officer Fitzgerald S/B in the 1100 block of Blake Avenue and asked him to circle around the block as I thought the suspect was in the 1100 block of Cooper Avenue and he complied.

As Officer Fitzgerald got into the 1100 block of Cooper the male began running and was reported to be running towards Grand Avenue on the 12th Street Ditch Trail. I was now on 13th Street W/B and I continued towards Grand Avenue. At the corner of 13th Street and Grand Avenue and I could see the suspect S/B on the Eastside sidewalk. He saw me and then darted across 5 lanes of oncoming traffic nearly getting hit and causing accidents. I crossed Grand Avenue as Officer Cary pulled up behind the male, who was essentially surrounded by Officer Cary and me at which point he surrendered and was taken into custody. The male was identified as Eric Barg (DOB: 08/06/75).

While being taken into custody he was verbally uncooperative and told us that he would not physically cooperate with our commands. At that point I called for a body wrap system to be brought to the scene. While waiting we had him pinned against the car giving him loud verbal commands to comply as he was tensing up and screaming and spitting. I later applied a spit hood to his head so he could not spit on any other officers of patrol vehicles as he had already done so. Once the body wrap system arrived at the scene, we properly applied it and he was lifted into a patrol car and taken to the jail.

My response was then terminated, and my actions were captured on my body camera and stored within policy.
